Trouble in mind, Lord, I'm blue
But I won't be blue always
Sun is gonna shine in my, Lord
Shine in my back door someday

I'm gonna lay, lay my head
On that lonesome railroad line
And let the 2:19 train
Ease my troubled mind

Trouble in mind, Lord, I'm blue
I won't be blue always
And as sun's gonna shine in my, Lord
Shine in my back door someday

I'm goin' down, goin' down to the river
I'm gonna [Incomprehensible] where I can see
I mean it's these blues on me man
Lord I'll have to run away with men

Troubled mind, troubled mind
I'm blue now, I won't be blue always
Yeah, man the sun's gonna shine in my lonesome mind
Back a thousand days

I'm all alone, I'm alone at midnight
My man was [Incomprehensible]
I never had so much trouble in my whole life
[Incomprehensible]

Trouble in mind, Lord, I'm blue now
But I won't be blue always
Yeah that wind's gonna come
It's gonna blow all my blues away!
