Walk right in and sit right down  
Daddy, let your mind roll on  
You'd better walk right in and stay a little while  
Daddy, you can't stay too long

Now everybody's talkin' 'bout a two way woman  
Do you wanna lose your mind?  
Lord, walk right in and sit right down  
Daddy, let your mind roll on

Walk right in and sit right down  
Daddy, let your hair hang low  
You'd better walk right in and stay a little while  
Daddy, you can't stay too long

Now everybody's talkin' 'bout a two way woman  
Do you wanna lose your mind?  
Lord, walk right in and sit right down  
Daddy, let your mind roll on

Walk right in and sit right down  
Daddy, let your mind roll on  
You'd better walk right in and stay a little while  
Daddy, you can't stay too long

Now everybody's talkin' 'bout a two way woman  
Do you wanna lose your mind?  
You'd better walk right in, sit right down  
Daddy, let your mind roll on
