i give up  
i'm lost inside my heart when you're around  
i never know just what i'm saying  
i try  
i try but every word comes out all wrong  
i think you're so intimidating

L7 you are so square  
is what you say  
the clothes that i wear  
and what is up with your hair  
is what you say  
but all my friends say it's ok

i give up  
i'm drowning in the Sea of You and Me  
i never want to come up gasping for air  
i stare but in your eyes so distantly  
i think you're so intimidating

L7 you are so square  
is what you say  
the clothes that i wear  
and what is up with your hair  
is what you say  
but all my friends say it's ok

is there a way  
work through our problems now and  
we'll waste some time  
cause i'm not gonna change  
cause it's not so bad to be different  
we're working out fine

and i know opposites attract and  
i know what you mean in fact  
we all could use a litte change  
just tell me what to do

i give up  
i'm lost inside my heart when you're around  
i never know just what i'm saying

i try  
i try but every word comes out all wrong  
i think you're so intimidating

(chorus)  
and now we're doing fine
