Could I be your girl?

Hide your heart under the bed and lock your secret
drawer

Wash the angels from your head won't need them
anymore

Love is a demon and you're the one he's coming for

Oh my Lord

(Hmm)

He's bringin' sweet salvation, let temptation take him in

He's every fear and every hope and every sin

(Hmm)

He's the universe the love you've been imagining

(Hmm)

Oh my Lord

(Oh my Lord)

Oh my Lord

(Oh my Lord)

Oh my Lord

(Oh my Lord)

I am ashes, I am Jesus

I am precious

Could I be your girl?

(Ooh)

Could I be your girl?

(Ooh)

Ooh

Put a chair against the door and turn the lights down
low

Write a letter to yourself, no one will ever know

Tell them all about the girl who just refused to fall

Oh my Lord

(Hmm)

He is the very breath you feel inside your lungs at night

(Hmm)

He is the bitter wind who's dryin' up your appetite

(Hmm)

He is the darkness that seeps into your fading light

Oh my Lord
Oh my Lord
Oh my, my, my, my, my Lord
(Oh my Lord)
Oh my Lord
(Oh my Lord)

I am ashes, I am Jesus, I am precious
Could I be your girl?
(Ooh)
Could I be your girl, oh?
(Ooh)
I am worthless sounds compared to all your perfect
words
(Ooh)
Could I be your girl?
(Ooh)
Could I be your girl?
(Ooh)

Hmm
Wash the angels from your hair, won't need them
anymore
(Ooh)
Hide your heart under the bed and lock your secret
drawer
(Ooh)
Love is the demon and you're the one he's coming for

Ohh my Lord
Oh my Lord
(Oh my Lord)
Could I be your girl?
(Oh my Lord)
Could I be your girl?
(Oh my Lord)
Could I be your, be your girl?
(Oh my Lord)
Hmm
(Could I be your girl?)
Be your girl?
(Could I be your girl?)
Ahh be your girl?
Ohh
(Be your girl?)
Be your girl?
(Could I be your girl?)
Hey, hey
(Be your girl?)
