Everybody hates Billy Wolfe because he doesn't look
the way they do
He sits in the back with his patched up napsack taking
the abuse
He can't even hide the bruises inside, those kids can
be so cruel
Everybody hates Billy Wolfe in the land of the red white
black and blue

Ohh, Everybody's broken
Ohh ohh ohh ohh ohh ohh ohh

85 years shes been livin' right here when they took her
from her home
To a little white room with a cup and a spoon and the
dress that she had on
Nobody came, they'd forgotten her name, it's like she
disappeared
She's just Claire Anne Marie and that's who she sees
when she looks into the mirror

Ohh, Everybody's broken
Ohh, Everybody's broken

She lost her son on february one of two thousand and
four
Wrong place, wrong time, yeah life became a landmine
right outside her door
There used to be kites and strings of lights to decorate
her skies
Now clouds of smoke just shroud the hope and all she
can do is cry

Ohh, Everybody's broken
Ohh, Everybody's broken

Ohh ohh ohh ohh ohh ohh ohh
Ohh ohh ohh ohh ohh ohh ohh
Ohh ohh ohh ohh ohh ohh ohh
