I've got money in my pocket  
I like the colour of my hair  
I've got a friend who loves me

I've got a house  
I've got a car  
I've got a good mother  
And her voice is what keeps me here

Feet on ground heart in hand  
Pacing forward be yourself

I've...i've never wanted anything  
No i, no i've  
I've never wanted anything so bad  
So bad

Card board masks of all he people i've been  
Thrown out with all the rusted tangled dented god  
damned misserys

You could say i'm hard to hold  
But if you knew me you'd know  
I've got a good father  
And his strength is what makes me cry

Feet on ground heart in hand  
Pacing forward be yourself

I've....i've never wanted anything  
No i..no i've  
I've never wanted anything so bad  
So bad

(instrumental)

I've got money in my pockets  
I like the colour of my hair  
I've got a friend that loves me

I've gotta house  
I've gotta car

I've gotta good mother  
And her voice is what keeps me here

Feet on ground heart in hand  
Pacing forward be yourself

Heart in hand feet on ground  
Pacing forward be yourself

Just be yourself  
Just be yourself
