When I cry, I close my eyes
And every tear falls down inside
And I pray with all my might
That I will find my heart in someone's arms
When I cry, cry

When I cry
When I am sad I think of every awful thing I ever did
Oh When I cry, there is no love,
No there is nothing that can comfort me enough
When I cry,
Cry, cry

The salt inside my body ruins everyone I come close to
My hands are barely holding up my head
I am so tired of looking at my feet
Or all the secrets that I keep

My heart is barely hangin' by a thread
Hangin' by a thread

Oh look at me
At all I've done
I've lost so many things that I so dearly love
I lost my soul
I lost my pride
Oh I lost any hope of having a sweet life
So I cry,
Cry, cry

Oh the salt inside my body ruins everyone I come close to
My hands are barely holding up my head
Oh I'm so tired of looking at my feet
And all the secrets that I keep
My heart is barely hangin' by a thread
Hangin' by a thread

I miss you all
I wish I was with you now
I wish I was
