I've never seen this kind of love.  
The kind that won't wash, and then leave you in the  
dark.  
I would die for you. (X3)  
I never kissed a sweeter mouth.  
I've never been swept away.  
Its what dreams are made up.  
Don't you know I could not survive.  
Without you in my life.  
I would die for you. (X3)  
Yea, Yea, Yea, Yea, Yea, Yea, Yea (X3)  
Yea, Yea, Yea  
I never seen this kind of love.  
The kind won't slip away.  
Yes I'm soring through your heart.  
Don't you know I can't survive.  
Without you in my life.  
I would dir for you.  
I would die for you.  
I would die for you.  
Yea, Yea, Yea, Yea, Yea, Yea, Yea (X3)  
Yea, Yea, Yea  
I would die for you (X4)  
Yea, Yea, Yea, Yea, Yea, Yea (X3)  
I would die for you (X3)
