Living under June
Living under her
Living under June
Living under her

I've got a black and white television
I've got an indigo gas oven
I've got holes in my head
Holes in my head

I've got filthy rotten wall to wall
I've got a couch made out of corduroy
My cat's dyin', words flyin'
Leakin' from the shower stall and that's not all

Living under June
Living under her
Living under June
Living under her

I can't believe the things I hear
Falling from the atmosphere
Sexual atrocities are happening right over me
And I can't sleep

Living under June
Living under her
Living under June
Living under her

Living under June
Living under her, her, her
Living under June
Living under her

Living under June
Living under her
Living under June
Living under her

Living under June
Living under her

Living under June
Living under her
