Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah

Never mind what you think you know about me
Never mind what you might have seen on the tv
You canÂ't believe every single word youÂ're gonna
read
What I am is too far in for you to see

Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah

Never mind who said that I was a bit far gone
Never mind when they tell you sex is all I what
You canÂ't believe that IÂ'm every word that I write
down
What I am is too far in and canÂ't be found

Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah
Ah ah ahÂ...ah ah ah

Yeah yeah yeah yeah yeah yeah yeah

Never mind what theyÂ're gonna say is probably wrong
Never mind ainÂ't about the singer itÂ's the song
You canÂ't believe how a person looks is who they are
What I am is too far in and canÂ't be found
What I am is too far in and canÂ't be found
What I am is too far in and canÂ't be found
What I am is too far in and canÂ't be found
