I don't mind if you stay longer  
You have not been any trouble  
I don't want you to go home yet  
Can you stay just stay ten more minutes

You are my best friend  
I don't know how I'd live  
How I love you  
Every square inch  
Love your brown eyes  
Your forgiveness

Don't go home now  
It's past midnight  
You can sleep here  
We'll have breakfast  
Yes

You are my greatest gift  
I don't know how I'd live  
You are my saving grace  
You are by heart my true friend
