Take your coat and shoes off
Come and sit beside me
We could talk for hours
Or we could just do nothing

Four billion people surround us
So many souls lose their way
All that we have is each other
And that's all I've ever wanted
Yeah, yeah, yeah

Don't you think it's funny?
Tell me, what the point is?
We could die tomorrow
Might as well enjoy this

Four billion people surround us
So many souls lose their way
All that we have is each other
And that's all I've ever wanted
Yeah, yeah, yeah

Give me all your disappointments
I'll give you my secrets
We could lay our heads down
Or be forever sleepless

Four billion people surround us
So many souls lose their way
All that we have is each other
And that's all I've ever wanted
Yeah, yeah, yeah
