Those school girl days
Of telling tales and biting nails are gone
But in my mind
I know they will still live on and on
But how do you thank someone
who has taken you from crayons to perfume
It isn't easy but I'll try
If you wanted the sky I would write across the sky
in letters that would soar
a thousand feet high
To Sir with love
The time has come
for closing books and long last looks must end
And as I leave
I know that I am leaving my best friend
A friend who taught me right from wrong
and weak from strong
That's alot to learn
What, what can I give you in return
If you wanted the moon I would try to make the stars
but I would rather you let me give my heart

To Sir with love

But how do you thank someone

who has taken you from crayons to perfume

It isn't easy but I'll try

If you wanted the sky I would write

across the sky in letters that would soar

a thousand feet high

To Sir with love
