Those school girl days  
Of telling tales and biting nails are gone  
But in my mind  
I know they will still live on and on

But how do you thank someone  
Who has taken you from crayons to perfume  
It isn't easy but I'll try  
If you wanted the sky I would write across the sky  
In letters that would show a thousand feet high  
To Sir with love

The time has come  
For closing books and long last looks must end  
And as I leave  
I know that I am leaving my best friend  
A friend who taught me right from wrong  
And weak from strong  
That's a lot to learn

What, what can I give you in return  
If you wanted the moon I would try to make the stars  
But I would rather you let me give my heart  
To Sir with love

But how do you thank someone  
Who has taken you from crayons to perfume  
It isn't easy but I'll try  
If you wanted the sky I would write  
Across the sky in letters that would show  
A thousand feet high  
To Sir with love
