Take your coat and shoes off.
Come and sit beside me
We could talk for hours
Oh, we could just do nothing

Four billion people surround us
So many souls lose their way
All that we have is eachother
And that's all I ever wanted

Yeah x 13

Don't you think it's funny
Tell me what the point is
We could die tomorrow
Might as well enjoy this

Four billion people surround us
So many souls lose their way
All that we have is eachother
And that's all I ever wanted

Yeah x 20

Give me all your disappointments
I'll give you my secret
We could lay our heads down
Oh, before ever sleeping

Four billion people surround us
So many souls lose their way
All that we have is eachother
And that's all I ever wanted

Yeah x 9
