Busted down outside of town
Had no gasoline
I should have fixed that thing
I should have fixed that thing

How can you go two hundred miles
Without seeing a single soul?
I should have stuck on the main road
I should have stuck on the main road

Now I'm waiting, I am
(I am waiting)
Now I'm waiting, I am waiting

You'd say that I was crying
I'm not, I'm not, I'm not
I'm really smiling

If you saw my hands right now
You'd swear that they were shaking
They're not, they're not, they're not
They're only waving

'Cause I am waiting, I am
(I am waiting)
I am waiting, I am
(I am waiting)
I am waiting, I am waiting
(I am waiting)
For someone to come along

Heaven help me
Anybody, the sun is going down
The sun is going down
The sun is going down

I am waiting, I am
I am waiting, I am
I am waiting, I am
I am waiting, I am
(I am waiting)
I am waiting, I am

(I am waiting)
I am waiting, I am
(I am waiting)
I am waiting, I am
(I am waiting)
