When I cry
I close my eyes
And every tear falls down the side
And I pray
With all my might

That i will find my heart in someones arms
When i cry
Cry

When I cry
When I am sad
I think of every awful thing i ever did

When I cry
There is no love
No there is nothing is that can comfort me enough
When I cry
Cry...cry

Oh the salt inside my body ruins
Everyone I come close to
My hands are barley holding up my head
I am so tired of looking at my feet
All the secerts that I keep
My heart is barely hanging by a thread
Hanging by a thread

Oh look at me
All Ive done
Ive lost so many things that I so dearly loved
I lost my soul
I lost my pride
Oh I lost any hope of having a sweet life
So I cry
Cry...cry

Oh the salt inside my body ruins
Everyone I come close to
My hands are barley holding up my head
I am so tired of looking at my feet
All the secerts that I keep

My heart is barely hanging by a thread
Hanging by a thread

I miss you all
I wish I was
With you now
I wish I..was
