This love could build a mountain  
Foundation strong to fend  
Oh, I, I ain't gonna let you down  
We got everything we need  
If we hang on to the stream, we found.

I can't predict the future  
But I know about today  
Oh, how, I love you  
I love you more than I can say.

I know it's hard to find  
So just put your hand in mind  
If you're afraid.

Chorus:  
Don't worry 'bout tomorrow  
We got everything we need  
Don't worry 'bout tomorrow  
We got everything we need.

I know all kinds of people  
They try this all their lives  
Oh I, I ain't gonna live that life  
'Cause tomorrow's gonna come  
If there's a lover or there's none  
In this life.

Chorus:  
Don't worry 'bout tomorrow  
We got everything we need  
Don't worry 'bout tomorrow  
We got everything we need.

Now you and I, can't deny  
Feels like we've been livin' in some dream.

Lover's come, found out through time  
It gave us what we need, So let tomorrow be, yeah.

Chorus:

Don't worry 'bout tomorrow  
We got everything we need  
Don't worry 'bout tomorrow  
We got everything we need.

Chorus:

Don't worry 'bout tomorrow  
We got everything we need  
Don't worry 'bout tomorrow  
We got everything we need...
