One day you may,
Find true love that will last
Forever, and ever.
Till then you'll spend
A lifetime wishing we're,
Together.

You never thought
She'd say goodbye,
And you will never understand
The reasons why.

[Chorus]
Heart of mine,
How will you keep from dying,
Stop reminiscing,
Who is she kissing.

Heart of mine,
Oh what's the use of trying,
No one can mend you now.

Hmmm...

Love plays cruel games
You can't believe she's found
Another, lover
Does she miss me
Sometimes you just can't help
But wonder.

No you can't stop
The hands of time,

[Refrain]
And you will always be the one
She'd left behind

(Repeat Chorus)
(Repeat Refrain)
(Repeat Chorus)

O heart of mine..
Heart of mine..
Oh heart of mine..

Heart of mine
Oh heart of mine
Whats the use of trying,
No one can mend you now.
