Iki toshite ikeru mono subete nanno tameni ikiteiru no?
Hito wa naze umareta no? ima no boku ni wa mada
kotaerarenai...

The devil that resides deep in the forest is capable of
human beings
Onto it's mirror that reflects the future
"it seems that you have hope, come stand in front of
this mirror
To see what becomes of you in the future"
Fukai mori no oku ni wa mada nemurenu tamashii
Yurarito egaku shi no rasen wo
Jukai kiri ni sasoware basho wo sagasu
Koe mo kare hateru made kimi wo yobu yo

Nukegara wa kaze ni fukarete shizuka ni suna to natte
kieru
Hai wo atsumete umi e to ima nagashi...

Kimi wo omoi tsuzukete rasen egaku bokura wa tabibito
Ima wa mou kikoenai kimi no utagoe sae kikoenai...

The reflection in the mirror was nothing
But a weary human without any dream and hope. and
in, was you
"this in what becomes of you, and there's nothing you
can do about that"

Luna no kagami mirai wo utsushidaseba
Sekai hakai to fuhai zetsubou dake

Ushinawareta saigo no [merodii] arawareta "kibou"
utau shoujo
Onaji hametsu wo kanadete "hora, oide..."

Kimi wo omoi tsuzukete rasen tadori ima, umare
kawaru
Kudakareta kagami ni wa nanimo utsuranai mou
kataranai...

Yagate kaze wa kie...
Mori wa kare...

Subete koware... yume no naka

Imamo... kimi wo omoi tsuzukete rasen egaku bokura
wa tabibito

Kudakareta kagami ni wa nanimo utsuranai mou
kataranai

Kimi wo omoi tsuzukete rasen tadori ima, umare
kawaru

"nanno tame ni ikiru no ka?" boku wa ima korekara
mitsukedasu

Human beings are so pathetic, though you may have
hope.

You creatures opt to play the sis melody over and
again.

And you too shall be taken in by that darkness.

What can be more pitiful than this?

What you have done 'till this day and what you plan to
do by tomorrow...

It's all worthless, let it go.

"stay here, dreams and hopes are worthless

Should you go giratory with the sleepless spirits

And wander around in this forest for the rest of your
life.

And you shall not see the despair awaiting for you in
the future...

Forever, and ever, and ever... "
