The hungry sun is burning, on an obscene secret jungle
I'm choking on hot breath, a mosaic is thrown away

Soft kisses on my back, enjoying heaven just a little bit
Held by red hot sweat, melting, I want to go

Entangle yourself with me bawdily, satisfy me, confuse
me
Destroy everything
I don't want any more love
Just some short pleasure
Give it to me, in your heart...

Your supple curves, lit by the midsummer moon
Enchant me to the point where it's dangerous, tell me,
in an octave voice

In an instant romance and love are taboo, as though
god is wet
Falling into the mystery of you who are thawed, I want
to go

Hold me violently, gently, and painfully
A masquerade of burnt bodies
Really violate me any number of times
Gaze at me until weariness comes
Intoxicate me, with your kiss...

Soft kisses on my back, enjoying heaven just a little bit
Held by red hot sweat, melting, I want to go

Hold me violently, gently, and painfully
Until I'm a skeleton, until I'm burnt up
Really violate me any number of times
Intoxicate me until you lose interest

Entangle yourself with me bawdily, satisfy me, confuse
me
Destroy everything
The best narcotic, I'll give to my naked goddess
Sometimes isn't enough, always
Make use of me, inside of you...
