Boiling water scorch my head  
Falsely convinced I am dead  
Forcing forth a watery grave  
Breathing none no safe haven  
No safe haven for me  
Asinine tribulations  
Dramatize stipulations  
Contrary accusations  
Asinine tribulations

Concaved reality lingers on  
Hastening bloodstained heart  
Once friendly touch turned fierce  
Betrayed again falling apart

We rise and fall  
We will live forever more

No matter the trails  
No matter the tribulations  
You must push through the pain  
There is no pain  
There is no sorrow

There is no  
Asinine tribulations  
Dramatize stipulations  
Contrary accusations  
Asinine tribulations

Concaved reality is no more  
Hastened blood-safe heart  
Once fierce touch  
Is now forever more  
Only loves touch
