Go follow the flock your poseurs
'Cos you're just like everyone else
You're the sheep of the U.S. of a
Well, the youth can't think for themselves

For the trendious bands in America
Are telling you what to do
And if you had a mind that was your own
I hope you'd use it too

Well, the media lies to us every day
You're being told what to hear
Hate and greed and adultery
Fight against them if you dare

But nobody will stand up
If you do then you're a jerk
'Cos MTV's the culture
Does fighting even work?

Go follow the flock your poseurs
'Cos you're just like everyone else
You're the sheep of the U.S. of a
Well, the youth can't think for themselves

For your favorite band is singing trash
You say that you don't care
'Cos the media says they're in this year
So that's what you want to hear

For you think that you're rebelling
And you got things figured through
For you got to fit the image
That Hollywood gave to you

So follow the flock your poseurs
'Cos you're just like everyone else
You're the sheep of the U.S. of a
Well, the youth can't think for themselves

In a country full of zombies
Who is gonna steer?

When the majority is dependent
On TV, drugs, and beer?

Go follow the flock your poseurs
'Cos you're just like everyone else
You're the sheep of the U.S. of a
Well, the youth can't think for themselves

Follow the flock your poseurs
'Cos you're just like everyone else
You're the sheep of the U.S. of a
Well, the youth can't think for themselves
