You just keep tuggin, pushin, pullin  
On my little heartstrings  
Got me all tied up in knots  
Anytime I see your face  
Oh it brings out  
It brings out the girl in me  
Don't know just how ya did it  
But ya got me real good  
Hook, line and sinker  
Like I knew you could  
But you don't even notice  
Boy I wish you would

I can't help myself  
I can't help but smile  
Everytime I see your face  
And we've never met  
I bet you don't know my name  
Am I outta my mind  
I think that I might be goin crazy  
Coz my heart is yours to have and hold or break  
How'd you get to be so close  
When you're so far away

I think you might be close to perfect  
Girls you know what I mean  
He's got a face straight out  
Of a magazine  
Gotta pinch myself  
To prove he aint a dream  
Oh oh oh

I can't help myself  
Now my secrets out  
I can't help but smile  
Everytime I see your face  
And we've never met  
I bet you don't know my name  
Am I outta my mind  
I think that I might be goin crazy  
Coz my heart is yours to have and hold or break  
How'd you get to be so close

When you're so far away

I wish you were mine all mine  
Mine all mine  
I wish you were mine all mine  
I wish you were mine

I can't help but smile  
Everytime I see your face  
And we've never met  
I bet you don't know my name  
Am I outta my mind  
I think that I might be goin crazy  
Coz my heart is yours to have and hold or break  
How'd you get to be so close  
When you're so far away  
How'd you get to be so close  
When you're so far away
