One day you may,  
Find true love that will last  
Forever, and ever.  
Till then you'll spend  
A lifetime wishing we're,  
Together.

You never thought  
She'd say goodbye,  
And you will never understand  
The reasons why.

[Chorus]  
Heart of mine,  
How will you keep from dying,  
Stop reminiscing,  
Who is she kissing.

Heart of mine,  
Oh what's the use of trying,  
No one can mend you now.

Hmmm...

Love plays cruel games

You can't believe she's found  
Another, lover  
Does she miss me  
Sometimes you just can't help  
But wonder.

No you can't stop  
The hands of time,

[Refrain]  
And you will always be the one  
She'd left behind

(Repeat Chorus)  
(Repeat Refrain)  
(Repeat Chorus)

O heart of mine..  
Heart of mine..  
Oh heart of mine..

Heart of mine  
Oh heart of mine  
Whats the use of trying,  
No one can mend you now.
