moments of love
close beside you and the world from the light
all through the night

its just you and me
making music to the beat of our hearts
lost in the stars

CHORUS

moments of love (moments of love)
bringing us closer together (bringing us closer
together)
sweet memories (sweet memories)
i know we'll remember forever (i know we'll remember
together)
moments of love (moments of love)

my lover my friend (my friend)
i can tell you all the things that i feel
all of this is real

here in your arms (your arms)
i feel that i could just do everyhting
youve given me wings

chorus

faded photographs and letter signed i love you
promises we made in care
and dreams that came true (dreams that came true)

instrumental

and day after day
we fill our lives
with moments.. of love.. of love

bringing us closer together (bringing us closer
together)
sweet memories (sweet memories)
i know we'll remember forever (i know we'll remember

forever)
moments of love (moments of love)
