Soon  
It will be mornin'  
And I have to rest my sight  
But I don't want to  
'Cause I know you're by my side

Oh, you, you are so beautiful  
And forever I could stare  
At the beauty  
That I can see within your eyes

I love you  
I'll take care of you  
How I need you in my life

Time  
It just passes by  
But your light  
It will live on  
Like a chorus  
Of a never ending song  
Oh now, until forever  
I will hold you close to me  
'Cause there's nowhere  
That I would rather be

'Cause I love you  
I'll take care of you  
How I need you in my life

So won't you stay this way  
And don't let go  
There are things you need to know

I love you  
I'll take care of you  
How I need you in my life

Ooh...ahh...ahh...ahh  
la..la..la

Soon  
It will be mornin'  
And I have to rest  
My sight....
