Don't speed, don't charm,  
Don't cling or shake off  
This advice when I'm driving  
The same point home  
You seize and you shiver  
And your fear it doesn't help  
Ice won't cling to wheels connecting  
A frame that shakes.

I won't stand for charm  
Seize or shake off  
This advice when I'm driving  
The same point home  
So don't stand or charge  
Or fear what may come  
I'll shed pride before the promise  
That keeps you so...

Safe, it's all you are now  
Feeling numb and safe  
Well it keeps you honest, numb and medicated  
It's all you are now  
Feeling numb and safe  
Well it keeps you honest, numb and medicated.

We slid as you shook  
The car careens as your head  
Kissed the glass as it shatters  
Over your arms  
You seize and you shiver,  
You freeze and you shake.  
You climbed out of the car and walked away  
With luck in your stead.

I won't stand for charm  
Seize or shake off  
This advice when I'm driving  
The same point home  
So don't stand or charge  
Or fear what may come  
I'll shed pride before the promise

That keeps you so...

Safe, it's all you are now  
Feeling numb and safe  
Well it keeps you honest, numb and medicated  
It's all you are now  
Feeling numb and safe  
Well it keeps you honest, numb and medicated.

It keeps us all safe, it's all you are now  
Feeling numb and safe  
Well it keeps you honest, numb and medicated  
It's all you are now  
Feeling numb and safe  
Well it keeps you honest, numb and medicated.
