Strophe:

I have been invisible  
I have seen time passing by  
Walking through the darkest nights  
When there's been nobody else

I have talked believable  
I have searched the sense of life  
Walking through the darkest days  
When there's been nobody by my side

Bridge:

New starting away  
Somewhere, someplace  
What do you feel 'bout me?  
The other side  
Your words behind  
What do you feel 'bout me?

Chorus:

Don't try to catch me 'cause you can't see me  
Don't try to change my world  
Don't ever catch me, just understand my world  
Don't change a thing

Strophe:

Talking 'bout the sense of being  
Will your great chance be invisible?  
Sleeping in depressive dreams  
All your fearful screams

Didn't live quite up to date  
Running back behind the days  
Tried to live again passed days  
I regret being to late

Bridge:

New starting away ...

Chorus:

Don't try to catch me 'cause you can't see me ...
