Your heart is cold as ice girl  
I should know I've been to the north pole  
Your soul is black as death girl  
I should know I have crossed the threshold  
Your style is such a mess girl  
I should know I used to date a stylist  
Still my heart sweats

X, O, X, O, X, X, O, X  
Some hearts bleed  
Our hearts sweat

Your heart is cold as ice girl  
I should know I've been to the north pole  
Your soul is black as death girl  
I should know I have crossed the threshold  
Your style is such a mess girl  
I should know I used to date a stylist  
Still my heart sweats

X, O, X, O, X, X, O, X  
Some hearts bleed  
Our hearts sweat
