Could I ever explain this feeling of love?  
It just lingers on  
The fear in my heart that keeps telling me  
Which way to turn

We'll wander again, our clothes they are wet  
We shy from the rain  
Longing to touch all the places we know we can hide  
The width of a room that can hold so much pleasure  
inside

Here am I alone again  
A quiet town where life gives in  
Here am I just wondering  
Nightporters go, nightporters slip away

I'll watch for a sign  
And if I should ever again cross your mind  
I'll sit my room and wait until nightlife begins  
And catching my breath, we'll both brave the weather  
again

Here am I alone again  
The quiet town where life gives in  
Here am I just wondering  
Nightporters go, nightporters slip away
