[Swizz Beatz]

When you're in the club, get your ass on the floor
When you're in the club, get your ass on the floor
When you're in the club, get your ass on the floor
When-When you're in the club, get your ass on the floor
Them haters can't tell you nothing
Them haters can't tell me nothing
Them haters can't tell you nothing
[X2]

[Dirty Money]

You're the love of my life
But you hurt my heart twice
Now I'm drunker than a muthafucker
Trying to find my way back to your heart you
muthafucker
So I know, there's a price, when you're running on ice
And you drunker than a muthafucker
Trying to find your way back to love you
You muthafucker

Baby you know, you know just what to do
I know you know the truth
And we will never lose
There's no me without no you
I give my soul to you

[Swizz Beatz]

When you're in the club, get your ass on the floor
When you're in the club, get your ass on the floor
When you're in the club, get your ass on the floor
When-When you're in the club, get your ass on the floor
Them haters can't tell you nothing
Them haters can't tell me nothing
Them haters can't tell you nothing
[X2]

[Dirty Money]

Baby you made me cry
Don't you hurt, hurt my pride
Got me madder than a muthafucker

Trying to fight my way back to your heart you
muthafucker
See you're aching my brain, in your arms I feel safe
Shit you know deep down, I'll always love ya
Trying to find your way back to my heart you
muthafucker

[Chorus]

[Diddy]

Yo turn me up, I'mma make sure she can hear me
Yo, that's girls gon get ya, muthafucker
Smoke weed, listening to Sade
I left my pain in Paris
Why can't you see shit my way
You on that lonely highway
My car's still on that driveway
Feels like I'm dying slowly
Feels like what more can I say
I made you face your fears
I think we could have made it
Thought I told you I love you
Maybe we should have waited
How could you ever doubt me
When I stood by you proudly
I would have gave my last breath
Now you can't breath without me

[Dirty Money]

Oh when you're in club yeah
All you think about your baby [x2]
Baby I want you to need me, I need you
To want me, I want you to love me forever
Baby, I want you, I need you to love me
I love you to need me and want me forever
