Your heart is cold as ice girl
I should know I've been to the north pole
Your soul is black as death girl
I should know I have crossed the threshold
Your style is such a mess girl
I should know I used to date a stylist
Still my heart sweats

X, O, X, O, X, X, O, X
Some hearts bleed
Our hearts sweat

Your heart is cold as ice girl
I should know I've been to the north pole
Your soul is black as death girl
I should know I have crossed the threshold
Your style is such a mess girl
I should know I used to date a stylist
Still my heart sweats

X, O, X, O, X, X, O, X
Some hearts bleed
Our hearts sweat
