Visit "[Souls Conflicting](#)" on MotoLyrics.com

In my mind with a soul conflicting
Taking over I don't know my own name
Unfamiliar cries out emotions
Bleeding senses can anybody
Help me help me

Tell me something so I can see
Choose the words that make me feel
Alive
Give me life to hold embrace
Feel the rain fall on your face
Alive

Stuck in moments with no way of knowing
Lost inside of what's better left unknown
Unknown

Tell me something so I can see
Choose the words that make me feel
Alive

Give me life to hold embrace
Feel the rain fall on your face
Alive

I don't want to go
I don't want to end this way
I just want to feel the same
