"THE PRICE"

Visit "[THE PRICE](#)" on MotoLyrics.com

I can't take it I hate

Telling every body over rated and sold
I will not be faking never done what I'm told
Nothing left to give everything to gain
Everybody makes mistakes
You will stand on your own

Judging me so bad because I'm young and I'm old
Paying out on me why don't you leave me alone
How can u be sure this is what you live for
Nothing more for me to say
I'll be moving along

We stand and we fight stand up for your write
Who cares we all pay the price
Stand
Fight
For your write

I can't take it I hate

Speaking my own mind because ive nothing to hide
Everything so hard sometimes I'm lost in my pride
No other choice for me this is the only way
I will live a life full of pain
That's the price I will pay

I can't take it I hate

We stand and we fight stand up for your write
Who cares we all pay the price
Stand
Fight
For your write
