Verse 1:

When the road is long
And the desert wide
When the path is steep
And the mountain high
If I rise or fall
If I'm weak or strong
Whether great or small
This will be my song

Chorus:

My God will supply all my needs
According to His word
According to His riches and glory
My God will supply all my needs
According to His word
According to His riches and glory

Verse 2:

Let the great divide
That I can not cross
Let the burning fire
That appears impossible
I will lift my eyes
And command my soul
Be still and know He's the God of miracles

Chorus:

My God will supply all my needs
According to His word
According to His riches and glory
My God will supply all my needs
According to His word
According to His riches and glory

Bridge:

Will He not open the flood gates of heaven
Will He not open wide
Will He not open the flood gates of heaven
Will He not open wide

Chorus:

My God will supply all my needs
According to His word
According to His riches and glory
My God will supply all my needs
According to His word
According to his riches and glory
