Come all you weary ones
Come all you thirsty Sons
Come to the Water
The Water that never run's Dry

Come all you crooked theves
Cast your cares and Believe
He is the water
The water, that Never runs Dry
Cause, Jesus makes the Impossible, Possible
and Jesus makes the Incapable more than able
If you call, he will answer
If you seek you will find,
He is the water
The water that never runs dry!

INTRO

Come all you taddered Saints
Double minded and affraid
Come to the Water
The Water, That never runs dry
Come all you broken down
Put you feet on His solid ground
Recieve the water
The Water, That never runs dry

Jesus Makes the Impossible, Possible
and Jesus Makes the incapable more than able
If you call he will answer,
If you seek you will find
He is the water, the water that never runs dry
Taste and See
Come and Drink of the Water
He is all that we need
Taste and See
Come and Drink of the Water
He is all that we need,
He is all that we neeeeed,

Jesus makes the Impossible, Possible

and Jesus makes the incapable more than able
If you call he will answer, If you seek you will find
He is the water,
That, Never runs dry

He never runs dry

Jesus makes the Impossible, Possible
