In your room, in the night  
There you rest and you think of me  
In the moon, in the sky  
Runs along and falls into the sea

And you know that I am here  
Even though I'm gone  
So you dont have to fear  
I've been alone

I am in the moonlight  
I am in the stars  
I am in your heart

As you stare, through the pain  
I am there, dancing in the rain  
As it falls, to the ground  
You just smile, and you think of me

And you know that I am here  
Even though I'm gone  
So you dont have to fear  
I've been alone

I am in the moonlight  
I am in the stars  
I am in your heart  
I am in the sunrise  
I am in the dark  
I am in your heart

Yeah...  
Yeahh...  
Yeaahh...

I am in the moonlight  
I am in the stars  
I am in your heart  
I am in the sunrise  
I am in the dark  
I am in your heart

I am in your visions  
I am in your dreams  
I am in your arms  
...I am in your heart
