Intro:

Yeah Yeah

Oh Oh

Oh Oh

Verse 1:

I see you in your seat tonight

I'm singing for an audience of one

Sittin down lookin right

But I want you on your feet before I'm done

You've been to other shows I'm sure

But this one's cater to you and only you

You're gonna love it when the curtains close, you'll be
yellin encore

Chorus:

You're the only one in my crowd

So give me a standing ovation

Scream out my name real loud (You know you love me)

Show me with a standing ovation (Yeah)

Ovation (Yeah)

Ovation (Yeah)

Show me with a standing ovation (Yeah)

Ovation (Yeah)

Ovation

If you're my number one fan oh oh (x2)

Verse 2:

You see my name up in lights

There's a reason cause girl I'm number one

I'm on the stage shining bright

But I notice you cause you're hotter than the sun

I know you're gonna want some more

Cause this show's catered to you and only you

You're gonna love it when the curtains close you'll be
yellin encore

Chorus

Bridge:

So don't be nervous when I call you up to the stage

This is your dream come true

The show's almost over and I ain't leaving without you
Cause you're the only one I want
Those other girls are groupies I don't want them
Lemme know you like the show before I take you home
Oh oh

Chorus
