I Go Crazy, Always Crazy
When I Look Into Your Eyes
Always Tryin Never Lyin
Cos I Knew That Wed Be Fine

[Chorus]

And I'm Tryin To Live Without You
And it's Hard To Acheive When Your Not Here
I Go On But I'm Thinking About You
Everyday, Away

Broken Heart Sale
Stops And Starts And
All This Time On The Telephone
And I Know it's Not Fair But I'll Always Be Ther
So Tell Me I'll Be Better Off Alone? (Noooooooo)

[Chorus 2x]

And I'm Tryin To Live Without You
And it's Hard To Acheive When Your Not Here

I Go On But I'm Thinking About You
Everyday, Away

Moving On Is Strange When Your Heart Consume This
Crazy Time
Taking Chances Over Romances
The Only Thing I Seem To Leve Behind

[Chorus]

And I'm Tryin To Live Without You
And it's Hard To Acheive When Your Not Here
I Go On But I'm Thinking About You
Everyday, Away

[Chorus]

And I'm Tryin To Live Without You
And it's Hard To Acheive When Your Not Here
I Go On But I'm Thinking About You
Everyday, Away
