Time to leave  
time to feel  
harp and horn  
music's born  
two worlds meet  
hungry sharing a fantasy  
tail and wing  
soon will swing  
dusk till dawn  
let the show just begin  
in a place where pardon stand,  
giving feast on sacred land.

The angels and devils meet at night  
they dance they caress each other  
holding on so tight  
the angels and demons side by side  
they dance until morning light  
when nobody else is in sight  
takes two to tango

Purified  
justified  
times of lust  
times of trust  
praising dark for one moment in paradise  
passion flows  
eager grows  
time runs out  
it's the end of the show  
when the morning is at hand  
time has come to show their stand

Angels falling  
hear them calling

demons rising  
they're disguising  
hearts are beating  
secret meeting  
just for one moment in love
