i just don't know how Camila

seen her in the ..damn i had to harm her
pardon i didn't mean to bother you by ..
i've been thinking at the sana..like a
always nigga like you
don't know where you from
tell me where you're going
baby can i tell baby i just know what's up
'cause girl i'm feeling you

Pre Chorus:

i can see you in the while
i'm passionate with this time
imagine in my mind how i make you mine
but i wanna do it right
so i'm gonna take my time oh

Chorus:

i just wanna know what's up
i ain't tryin to ask for much
but i've been feeling you
and no one know if you got time for us
here's my number call em up
i ain't try to ask for much
but i've been feeling you
and no one know if you got time for us

did i ever spell ..ain't
every time i see you wanna make commit
and i see you with them true religion
but i was thinking is a sayin
boy you can help it baby yeah
'cause i can let em another day go
bout letting you know thta
i think that you so bad, so bad

Pre Chorus:

i can see you in the while
i'm passionate with this time
imagine in my mind how i make you mine

but i wanna do it right
so i'm gonna take my time oh

Chorus:

i just wanna know what's up
i ain't tryin to ask for much
but i've been feeling you
and no one know if you got time for us
here's my number call em up
i ain't try to ask for much
but i've been feeling you
and no one know if you got time for us

baby what you do to me
girl it ain't fair
i can over stop and stay
..if you missin with my..
uhh damn she's so abd and i knwo what to do with that

[Pre Chorus:]
