I haven't been to church since I don't remember when  
Things were going great til they fell apart again  
So I listened to the preacher as he told me what to do  
He said you can't go hatin' others who have done  
wrong to you  
Sometimes we get angry but we must not condemn  
Let the good Lord do his job, you just pray for them

I pray your brakes go out runnin' down a hill  
I pray a flower pot falls from a window sill  
And knocks you in the head like I'd like to  
I pray your birthday comes and nobody calls  
I pray you're flyin' high when your engine stalls  
I pray all your dreams never come true  
Just know wherever you are, honey, I pray for you

I'm really glad I found my way to church  
Cause I'm already feelin' better and I thank God for the  
words  
Yeah, I'm gonna take the high road and do what the  
preacher told me to do  
You keep messin' up, and I'll keep prayin' for you

I pray your tire goes out at 110  
I pray you pass out drunk with your best friend  
And wake up with his and her tattoos

I pray your brakes go out runnin' down a hill  
I pray a flower pot falls from a window sill  
And knocks you in the head like I'd like to  
I pray your birthday comes and nobody calls  
I pray you're flyin' high when your engine stalls  
I pray all your dreams never come true  
Just know wherever you are, near or far  
In your house or in your car  
Wherever you are, honey, I pray for you  
I pray for you
