I was around
 The first time you fell down,
 Picked you up off of the playground
 And IÃfÃçÃ,,Ãçve never once asked
 ÃfÃçÃ,,Ã... "Hey what about me?ÃfÃçÃ,,Ã,Ã
 IÃfÃçÃ,,Ãçve been the one
 Between all your boyfriends,
 To hold you
 And all of your problems;
 What do I have to do to make you see?

You beat back love
 But somebody wants you.
 You had enough,
 But somebody needs you.
 You push and shove,
 But somebodyÃfÃçÃ,,Ãçs still in love with you.
 Yea You fight it off,
 But somebody finds you.
 You build a wall,
 But it doesnÃfÃçÃ,,Ãçt hide you.
 You try to fall,
 But somebody wonÃfÃçÃ,,Ãçt let go of you;
 Yea somebody will always be in love with you.

Yea and IÃfÃçÃ,,Ãçm the one
 youÃfÃçÃ,,Ãçve always been close to,
 Know all the things that IÃfÃçÃ,,Ãçm not
 supposed to,
 Saved you from all the wolves at 2AM.
 All the nights you were lying beside me,
 Too close for friends in the light of a TV,
 When will the longing stop and the love begin?
 You beat back love

But somebody wants you.
 You had enough,
 But somebody needs you.
 You push and shove,
 But somebodyÃfÃçÃ,,Ãçs still in love with you.
 Yea You fight it off,
 But somebody finds you.

You build a wall,
But it doesn't hide you.
You try to fall,
But somebody won't let go of you;
Yea somebody will always be in love with you.

You beat back love
But somebody wants you.
You had enough,
But somebody needs you.
You push and shove,
But somebody's still in love with you.
Yea You fight it off,
But somebody finds you.
You build a wall,
But it doesn't hide you.
You try to fall,
But somebody won't let go of you;
Yea somebody will always be
That somebody has always been me
And I will I will always be in love with you
