It was gonna be you and me,  
But now your gone.  
I had planned the rest of my life  
How am I supposed to move on  
I can't sleep in our bed  
Or on the couch  
You left so many memories  
When you walked out  
Kill me for loving you  
'Cause I can't stop  
No matter how hard I try to.  
Kill me for loving you  
All I ever wanted to do  
Was love you.  
I've been crying every day and night  
For two weeks now  
I've been looking out the window at the driveway every  
hour.  
I don't want to start over

With someone new  
Yeah I'd gotten so damn good at loving you.  
Kill me for loving you  
'Cause I can't stop no matter how hard I try to.  
Kill me for loving you  
All I ever wanted to do  
Is love you  
Sometimes its just mornings,  
Sometimes its all day,  
And sometimes I just wish I'd begged you more to stay.  
Kill me for loving you  
'Cause I can't stop  
No matter how hard I try to  
Kill me for loving you  
Yeah, all I ever wanted to do  
was love you.  
Yeah, was love you.
