I watch you smile
You steal this show
You take a bow
The curtain falls in front of You
You're magical on display
I gaze into Your eyes and
You turn to look the other way

Really love to know
Really love to climb
Way into Your heart
See what I can find
Walk into Your skin
Swim through Your veins
See it from Your eyes
I'd really love to try, yeah

Standing still in my mind
Trying to escape
Lookin' for a place to hide
But it's not safe but I'm so near
Invading every place
You go to disappear

Really love to know
Really love to climb
Way into Your heart
See what I can find
Walk into Your skin
Swim through Your veins
See it from Your eyes
I'd really love to try

I'd really love to know
I really wanna climb into Your soul
Walk into Your skin
Swim through Your veins
See it from Your eyes
I'd really love to try
I'd really love to try

Yeah, try

Really love to know
Really love to climb
Way into Your heart
See what I can find
Walk into Your skin
Swim through Your veins
An' see it from Your eyes
I'd really love to try

I'd really love to climb
Way into Your heart
An' see what I could find
Walk into Your skin
Swim through Your veins
See it from Your eyes
I'd really love to try
I'd really love to try, yeah yeah

Yeah, I wanna get inside
The You, You're hiding from
Yeah, I wanna get inside
The You, You're hiding from
I wanna get inside
The You that You're hiding from, yeah yeah
