Trace the shape of my heart  
'Til it becomes more familiar to your eyes  
I've been lost without you  
Cold without your love  
It's taken days and nights to make me realize

Rescue me from hangin' on this line  
I won't give up on giving you  
The chance to blow my mind  
Let the eleventh hour quickly pass me by  
I'll find you when I think I'm out of time

Take the place of my heart  
'Til I become a stranger to my life  
I've been down without you  
Wrong without your love  
In time will I be what you're thinking of?

Rescue me from hangin' on this line  
I won't give up on giving you  
The chance to blow my mind  
Let the eleventh hour quickly pass me by  
I'll find you when I think I'm out of time

Out of time  
Time

I've been down without you  
Cold without your love  
In time will I be what you're thinking of?

Rescue me from hangin' on this line  
I won't give up on giving you  
The chance to blow my mind  
Let the eleventh hour quickly pass me by  
I'll find you when I think I'm out of time

Rescue me from hangin' on this line  
I won't give up on giving you  
The chance to blow my mind  
Let the eleventh hour quickly pass me by  
I'll find you when I think I'm out of time

Time  
Time  
Time
