Dear God,
Surround me as I speak
The bridges that I walk across are weak
Frustrations fill the void that I can't solely bear
Dear God,
Don't let me fall apart
You've held me close to You
I have turned away and searched for answers I can't
understand

They say that I can move the mountains
And they send them falling to the sea
They say that I can walk on water if I would follow and
believe
with faith like a child

Sometimes
When I feel miles away
and my eyes can't see Your face
I wonder if I've grown to lose my recklessness
I walk in light of You

They say that I can move the mountains
And they send them falling to the sea
They say that I can walk on water if I would follow and
believe
with faith like a child

(Children Saying)

Be kind unto others
Call Jesus Christ Your Savior

They say that I can move the
mountains
And send them crashing to the sea
They say that I can walk on water
If I would follow and believe
with Faith Like a Child

They say that love can

heal the broken
They say that hope can
make you see
They say that faith can find
a Savior
If you would follow and believe
With Faith Like a Child
