*[verse]*

Be still  
Let your hand melt into mine  
The part of me  
That breathes when you breathe  
Is losing time  
I can't find the words to say  
I'll never say goodbye

*[chorus]*

And I'll fly with you  
Through the night so you know  
I'm not letting go  
I'm not letting go  
Tears like rain fill up the sky  
Oh my love  
I'm not letting go  
I won't let you go

*[verse]*

I saw a host of silent angels  
  
Waiting on their own  
Knowing that all the promises  
Of faith come alive  
When you see home  
Hold still and let your  
Hand melt into mine

*[chorus]*

*[bridge]*

Shed your heart and your breath  
And your pain and fly  
Now your alive

Now your alive  
Now your alive  
Now your alive

I won't let you go  
I'm not letting go
