Don't try to reach me I'm already dead

The pain when it grips me for things that I've done

Well I try to make you proud but for crying out loud

Just give me a chance to hide away

Exhaustion takes over will this someday be over?

Chorus:

Fearful tears are running down

The pain you've laid don't speak a sound

Don't take my heart away from me

And they think I fell down

Daddy don't you love me?

Then why do you hit me?

And Momma don't you love me

Then why do you hurt me?

Well I try to make you proud, but for crying out loud

Just give me a chance to hide away

Exhaustion takes over, will this someday be over?

[Chorus]

A teardrop falls from up in the heavens

Drowning the sorrow of angels on high

For the least of the hopeless, the helpless, the loveless

My Jesus, His children, He holds in His eyes
